CENTRAL CITY LITTLE LEAGUE 2010

Important Information Regarding the 2010 Season

Please note the following changes:

I don't believe that I need to tell anyone how difficult it has become to make ends meet in difficult economic times. Like many of you struggling to pay your household bills and maintain your standard of living; we too here at the Central City Little League are facing many of those very same struggles. Our costs, spearheaded by skyrocketing electric bills from PP&L, are rising at rates that are difficult to keep pace with. We have tried to shelter you from as many of this as we could and, we believe, have done a very good job of keeping costs in check over the past few years. This year however, we were not able to secure any coin drop dates at Wal Mart. This has put us in the unenviable position of having to make some wholesale changes to the way the we operate without passing very much of that expense on to our participants. With the backdrop properly in place, the changes for this year and perhaps the 2011 season are outlined below:

- (1) Rather than field day trophies awarded to event winners at the year end banquet, medals will be awarded to winners 'on the spot that day.**
- (2) Player's families will be asked to contribute \$25 to defray the costs of all star uniforms, equipment and tournament dues. This, of course, applies only to those players who are voted onto any all star tournament teams.**
- (3) Central City Little League will not formally request to host any tournament games during the 2010 season. We will re-evaluate this after the conclusion of this season and determine if this is something we can restore for 2011.**
- (4) Trophies will be ordered ONLY for players who attend the year end awards banquet. If you do not register to attend the banquet, we will not order any trophies for the banquet nor at any other time.**
- (5) Participation trophies for both T-Ball players and Farm League players will continue for 2010. We will re-evaluate this for the 2011 season and determine if, at that point, we can continue to offer participation trophies or if we need to make any changes.**
- (6) We will kindly ask that each player donate a small item to the concession stand. These can be ketchup, mustard, or paper products. Details will be forthcoming in the coming weeks.**
- (7) Based on how effective these changes are and whether or not we make up gaps presented to us without Wal Mart coin drops; we may decide to forego door prizes at the banquet this year only. We will revisit and re-evaluate this at the conclusion of the season.**

With your help and cooperation, we can make the necessary changes with little impact to the overall Little League experience. Without your help and cooperation, there will be more severe and drastic changes that we will be required to make to continue operations.
