CENTRAL CITY LITTLE LEAGUE 2011

Important Information Regarding the 2011 Season

Please note the following:

As was the case last season, we continue to live and operate in increasingly difficult economic times. Many of the changes we enacted for the 2010 season will, in fact, carry over into and through the 2011 season as well. As a refresher, those items are outlined below for your review and information.

- (1) Rather than field day trophies awarded to event winners at the year end banquet, medals will be awarded to winners 'on the spot that day.**
- (2) Player's families will be asked to contribute \$35 to defray the costs of all star uniforms, equipment and tournament dues. This, of course, applies only to those players who are voted onto the all star tournament team.**
- (3) For 2011, there will be only an 11-12 Year Old tournament team. There will be no 9-10 nor 10-11 Year Old team entered into competition this season.**
- (4) Central City Little League will not formally request to host any tournament games during the 2011 season. We will re-evaluate this after the conclusion of this season and determine if this is something we can restore for 2012 and beyond.**
- (5) Trophies will be ordered ONLY for players who attend the year end awards banquet. If you do not register to attend the banquet, we will not order any trophies for the banquet nor at any other time.**
- (6) Participation trophies for both T-Ball players and Farm League players will continue for 2011. We will re-evaluate this for the 2012 season and determine if, at that point, we can continue to offer participation trophies or if we need to make any changes.**
- (7) We will kindly ask that each player donate a small item to the concession stand. These can be ketchup, mustard, or paper products. Details will be forthcoming in the coming weeks.**

With your help and cooperation, we can make the necessary changes with little impact to the overall Little League experience. Without your help and cooperation, there will be more severe and drastic changes that we will be required to make to continue operations. Our future is solely dependent upon you and your active involvement in the league.
